MEMORANDUM TO DR. H. S. CRAIG
Operations Coordinating Board
Washington, D. C.

It would be greatly appreciated if you and your people could prepare a memorandum for me giving your appraisal of the psychological impact of the Big Four Conference both at home and abroad, as it will affect our planning during the forthcoming weeks leading up to the Conference.

I should like this to include information concerning the trends we would have to watch out for --- how might they affect our negotiations and how might they be counteracted.

With many thanks.
